

DC Evidence Control Facility

AWARD

NAIOP Commercial Real Estate Development Association: 2011 Award of Excellence for Best Industrial / Flex Office for the DC Evidence Control & Property Facility

Location

Washington, D.C.

Developer

The John Akridge Development Co.

Project Description

The evidence warehouse is a 30,000 SF tilt-up including both warehouse and office space. A few of the facility amenities include a computer-automated inventory tracking system; security, including video event logging and refrigerated units for storing DNA samples.

Erection of Warehouse tilt-panels.
