

We're Celebrating 45 Years of Construction Excellence

NARDI Construction, Inc. celebrated its 45th anniversary on July 25, 2022. NARDI has established a respected name in the construction marketplace as a General Contractor, Owners Rep./Construction Manager and Team Design/Build Contractor. We have many highly satisfied private clients who have repeatedly chosen to negotiate their new projects with NARDI, along with a proven track record of successful completion of government projects that have earned us respect with many local entities, most notably of which being Prince George's County. The success of our company is not only in the value we bring to the total construction process, but more importantly, the years of successful relationships we have developed with our many subcontractors and suppliers. They helped make us what we are today, 45 years strong!

Corvias Budget Book S027: Surrattsville High School

The Surrattsville High School project was completed in August of 2022. Devices installed include a micro-bioretenion and Nyoplast drain. The MMBR device will be treating 12,340 square feet of impervious area with a maximum drainage area of about 20,000 square feet. NARDI was proud to be part of another Mentor Protégé project (MPP) with the Clean Water Partnership. The project was completed by new MPP member AC Reliable Construction, Inc.

Canine & EVOC Training Facilities Progress

NARDI Construction is currently in progress on the expansion of the existing Prince George's County Public Safety Training Complex. The County is adding state-of-the-art Canine and Emergency Vehicle Operations Course Facilities to this complex. NARDI was awarded this project in August 2021. Construction is in full swing with sitework continuing, both buildings underway and the track for the EVOC facility is starting to move.

PROJECT SPOTLIGHT

RECENT AWARD:

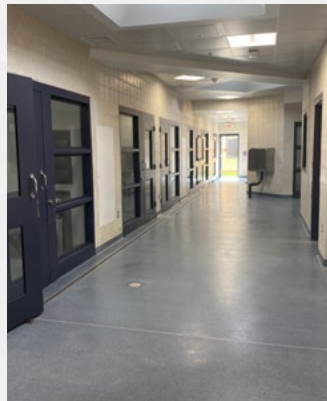

Baden Branch Library

The Prince George's County Memorial Library System recently awarded NARDI Construction their Baden Branch Library project. This project involves the interior renovation of a 4,900 square foot existing stand-alone building with minor exterior work. Work includes demolition, partition walls, new doors & frames, hardware, ceiling, flooring finishes, millwork, HVAC upgrade, electrical systems, LED lighting, plumbing, fire alarm, and complete AVIT, security & control access system. Exterior work consists of full window opening replacement, roof replacement, minor concrete and sidewalk repairs as well as exterior canopy replacement.

DOC Ribbon Cutting Ceremony

On September 15th, the official ribbon cutting ceremony was held for the medical unit for the Prince George's County Department of Corrections. NARDI was awarded this contract with the County for the new state-of-the-art 22,263 square foot facility. NARDI is proud to have kept this project on track to finish in time for this ceremony which had many Prince George's County executives in attendance. Features include exam rooms, isolation cells, medical treatment areas, medical offices and a full vegetative roof.
